Application Guidelines

GoGreen® Plus may be used at any time of the year providing the turf surface is dry and rainfall is not imminent. Do not apply in frosty conditions. GoGreen® Plus is especially effective during the winter months. For best results cut grass before application. Repeat applications may be made as often as necessary to maintain the desired effect (on average every six weeks).

Mixing

Half fill the sprayer tank or watering can with clean water.

Add the required amount of GoGreen® Plus and mix thoroughly whilst adding the remainder of the water.
