

GoGreen GRANULES

Long lasting iron granules,
formulated for outstanding results.

A slow release iron that provides a steady greening and hardening effect over a four month period. GoGreen Granules can be used on all fine turf areas, golf tees and fairways, outfield turf areas and ornamental lawns. The product can also be used on iron chlorosis in nursery stock.

Directions for use

Turf Application Guidelines

Timing: Apply at any time of year providing the turf is dry and rainfall is imminent.

Application: Use any conventional spreading equipment e.g. as used for fertiliser. Apply at 8-12 week intervals. Do not apply in frosty conditions

Application Rate: 400 kg/ha

Pack covers: 500m²
