

# GreenClean<sup>+</sup> PRO

## A natural plant based multi surface biocide for cleaner hard and permeable surfaces

- Fast acting and reliable results
- Safe to use on a wide range of surfaces
- Low dose and water rates
- No re-entry restrictions

### GreenClean Pro in action

### Before and after

### GreenClean Pro areas of use

GreenClean Pro is a plant origin biocide that gives fast long lasting results, which in ideal conditions can be visible after a few hours. GreenClean Pro can be used throughout the year on all approved surfaces and uses less A.I. and water making it easier to use and cost effective.

### Areas of use:

- Walkways/steps
- Sports surfaces
- Play equipment
- Decking (wooden/composite)
- Fencing (wooden/metal)
- Buildings

<b>Formulation</b>	An emulsifiable concentrate biocide containing 500g/L nonanoic acid		
<b>Crops</b>	Outdoor buildings, and building materials, on all hard surfaces, (porous and non porous), in green spaces and on every roof type (except thatched)		
<b>Targets</b>	Algae and other green deposits		
<b>Applications</b>	2 applications per year. Repeat applications must be a minimum of 14 days apart		
<b>Dose rate</b>	1:16.6 dilution	<b>Water volume</b>	270L/ha
		<b>Rain fastness</b>	2 hours
