VISION PRO™

Advanced spray pattern indicator and turf colourant

Application

Vision Pro is tank mixable with most professional plant protection products, liquid fertilisers and biostimulants commonly used in turf management (for full tank mix compatibility details please contact your local supplier).

	Rate	Water Volume	Coverage
Vision Pro	1.2L	300L minimum	1 Ha

Note: Allow sufficient drying time for the product to fully adhere to the plant before allowing access.

ALWAYS FOLLOW PESTICIDE MANUFACTURER'S LABEL DIRECTIONS

- Fill the sprayer tank 1/2 to 2/3 the total volume of water and begin agitation.
- Vision Pro colourant should be added to the mix solution.
- Allow Vision Pro colourant to fully disperse into mix solution before adding additional products.
- Fill remainder of the sprayer tank with water to the desired volume.
- Always apply any pesticide solution mix to the target site at the rate specified on the pesticide manufacturer's label.

For best results, use low to medium sprayer pressure. Avoid overspray on any area where colour is not desired, otherwise permanent staining may occur. Accidental overspray may be removed by a water rinse prior to drying.

Equipment Cleaning

After application, always drain and clean the sprayer tank, pump, hoses, valves and nozzles as instructed by the pesticide manufacturer's label.

- After initial rinsing, the use of a spray tank cleaner will facilitate additional removal of pesticide residue from equipment.
- Do not leave pesticide mix solutions with Vision Pro colourant in the sprayer tank overnight.

PRECAUTIONARY STATEMENTS

CAUTION: Avoid contact with eyes, skin and clothing. Use proper hygiene when handling. Impervious gloves and goggles/safety glasses/safety shield are recommended for use with the concentrate.

STORAGE AND DISPOSAL

KEEP PRODUCT FROM FREEZING. Do no re-use empty container. Safety goggles are recommended when handling the concentrate. If product is spilled, contain and absorb with inert material. Dispose of in accordance with local, state, and federal regulations.

WARRANTY DISCLAIMER

Becker Underwood, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose stated on the label when used in strict accordance with the directions. BECKER UNDERWOOD DISCLAIMS ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

REMEDIES

The remedy for injury or damage from this product is limited to, in Becker Underwood's sole discretion, replacement of the product or refund of the purchase price paid. UNDER NO CIRCUMSTANCES SHALL BECKER UNDERWOOD, INC. BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES.

LIMITATION OF LIABILITY

No one is authorized to change or supplement, either verbally or in writing, the statements contained on the label. Becker Underwood and the seller are not liable for personal injury or property damage or loss, including crop damage or lack of performance, due to circumstances beyond their control, like a product user's failure to comply with the directions. Buyer and user assume all risks for these events.
